SENIOR PASTOR INFO

There are several families in our church family that are facing some very difficult trials right now. Chad Goldade and Don Seibold are struggling with advanced stage cancer. Chad and Tori Goldade in consultation with their doctors have made the very difficult decision to forego any more chemotherapy and Chad has been moved to their home and admitted to hospice care. Don and Debbie Seibold have learned that Don has advanced stage cancer as well and they are in the process of seeking the best course for palliative care for Don over the next few months as well. Of course, we know that the Lord has the power to heal any disease and to overcome even advanced stage cancer. But we also know that sooner or later, death awaits us all and there are no exceptions. The Goldade and Seibold families are in crisis right now and they need our unrelenting prayers. *"Our loving Father in heaven, please give a very special measure of your love and grace to the Goldade and Seibold families right now. Oh our Father, may they all know and experience your presence, your comfort, your love and your goodness in such real and personal ways that they have the strength and the wisdom to endure and persevere in faithfulness during these trying and overwhelmingly difficult days. Thank you, our Father for the blessed and comforting promises of Your glorious Word, that tell us that nothing in this universe presently or ever in the future will be able to separate us from Your grand and powerful love (Romans 8:38-39). May they all know very personally that You, Lord God are the 'eternal God Who is their refuge' and that 'underneath are the everlasting arms.' (Deuteronomy 33:27)."*

NEW STUDY

A new study has begun: "In the Dust of the Rabbi." We will meet in the Mixed Community classroom 302 at 9:00 a.m. This is one of the newer DVD series done by Focus on the Family called "That the World May Know," taught by Ray Vander Laan. Come and join teacher and historian, Ray Vander Laan, as he guides us through the land of the Bible. In each lesson, Vander Laan illuminates the historical, geographical, and cultural context of the scriptures. Each lesson is filmed on location in the Middle East. Each faith lesson will transform your understanding of God and challenge you to walk firmly in your walk with Christ.

MEN'S FRATERNITY QUEST FOR AUTHENTIC MANHOOD BEGINS JUNE 15

Men....you can make an impact on someone's life. Remember how key people in your life impacted your spiritual journey. The Teen Challenge men in our Tuesday evening men's study need this type of person. Join us on Tuesday evenings as we begin "The Quest For Authentic Manhood," a 24-week Robert Lewis study that focuses on a man's core identity and gives an overview of basic manhood issues. It will help men deal with various identity issues by looking back at past wounds and other things that may have distorted their idea of biblical masculinity. Throughout the course of the study, men will learn how to clearly define manhood and will finally be able to give a succinct and passionate answer to the questions, "What is a man?" and "What am I living to be?"
